

A2 Flyers Listening Part 2

Description

This lesson plan has been designed to help students prepare for A2 Flyers Listening Part 2. This lesson plan can be delivered face to face or online. The 'online options' column suggests how the stages could be adapted for teaching online.

In this lesson students listen to an A2 Flyers Listening Part 2 recording about a Space Club, before reflecting on useful listening strategies. The recording also provides a model for students' own speaking at the end of the lesson.
