# Cambridge ▶ Digital
### English Qualifications

# Prepare your students for **success** with our innovative range of **digital practice materials**

The Cambridge English Qualifications Digital exams test the same knowledge and skills as our paper-based exams, so there is no need to change how you use your course material.

To give your students the best chance of success on exam day, use our innovative range of digital practice materials throughout the year.

**Authentic Digital PRACTICE TESTS**

Give your students the most realistic experience of digital exam day and save time with auto-marked results. Perfect for use as a mock test, at whatever stage of the course you need it.

**cambridge.org/adpt**

**Test & Train**

Use Test & Train throughout the year – alongside your course or as targeted practice in the run-up to exam day. Mobile-friendly exam practice tasks, with instant feedback and expert tips, can be used both in class and as homework.

**cambridge.org/testandtrain**

## Sample papers and tutorials

Be confident your students understand the exam format and enhanced features using the sample tests and tutorials found on our website.

**Watch our video**

**Authentic Digital Practice Tests and Test & Train are also perfect practice for paper-based exams.**

# Authentic **Digital Practice** Tests

## Boost your students' confidence with the most realistic experience of digital exam day

The Authentic Digital Practice Tests provide the closest experience to the Cambridge English Qualifications Digital exam.

- Set as a mock test for your students
- Keep control and set the first attempt of the test when you need it
- Save time with auto-marking and results in under five minutes*
- Build student confidence with up to three attempts
- Understand exam readiness with a CEFR report for the first attempt
- Get the authentic experience with tests from the Cambridge exam-writing teams

*excludes Speaking and C2 Writing

**New self-study versions available from May 2025**

### Use Authentic Digital Practice Tests to:

- identify areas for development
- understand exam readiness
- give students a realistic experience of digital exam day.

**For more information on using practice tests, visit**

**cambridge.org/examprepjourney**

### Levels available

| A2 | B1 | B2 | B2 | C1 | C2 |
|---|---|---|---|---|---|
| Key for Schools | Preliminary for Schools | First for Schools | First | Advanced | Proficiency |

Official Cambridge Exam Preparation

## Get the full exam experience

**Each Authentic Digital Practice Test contains one full test, including:**

- Reading/Reading and Use of English
- Listening
- Writing.

**The teacher code also gives you access to:**

- Writing sample answers and examiner commentaries
- a downloadable Speaking paper.

Students can attempt the test three times.

Access lasts for 12 months following activation.

## Set the test to suit your schedule

You control your learners' access to the first attempt of the test, so that students experience a brand new mock test when you are ready.

Use the Teacher Version to add the Authentic Digital Practice Test to your class in Cambridge One and assign the test to your learners as classwork or homework. You can assign all skills together or each at separate times.
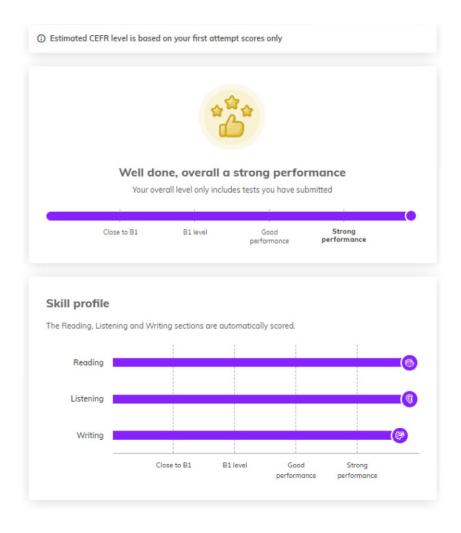

## Review progress

You can review progress for individual learners and for the whole class.

**1** View scores for completed test parts for each learner

**2** See which learners have not yet completed the tests

| Close to B1 | B1 level | Good performance | Strong performance |

# Save time with auto-marked results

The test is auto-marked which saves you time and provides results in under five minutes (except Speaking and C2 Writing).
**Both you and your students can identify specific areas for improvement by:**

- seeing overall marks for each part of each test
- reviewing individual correct and incorrect answers
- accessing correct answers.

You and your students can also view a CEFR report from the first attempt, indicating overall performance and performance by skill.

# Test&Train

## The exam workout that counts!

Test & Train is a mobile-friendly practice tool to help students get ready for their Cambridge exam through short, sharp workouts. With hundreds of practice questions, students can use it anytime, anywhere and as many times as they like.

You can use Test & Train throughout the year – alongside your course or as targeted practice in the run-up to exam day.
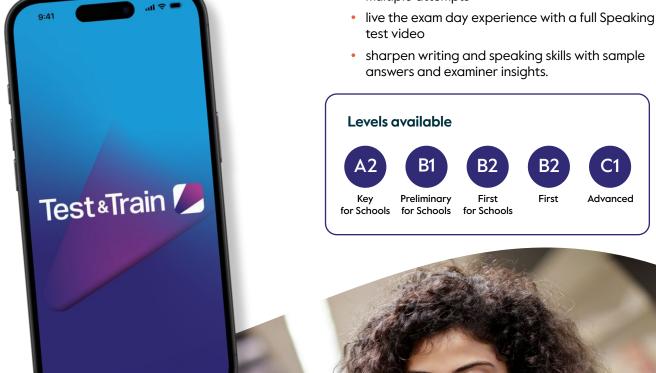

### Teachers can:

- inspire learners with official Cambridge Exam Practice on any device
- maximise study time with auto-marking and at-a-glance class overviews*
- manage individual and class performance through real-time class data*
- reduce exam day nerves with the timed practice test (class-based version only).

*Class-based and self-study when self-study is added to a class

### Students can:

- train with short, on-the-go exam tasks
- improve performance with expert hints and tips
- boost their confidence with instant feedback on multiple attempts
- live the exam day experience with a full Speaking test video
- sharpen writing and speaking skills with sample answers and examiner insights.

### Levels available

| Key for Schools | Preliminary for Schools | First for Schools | First | Advanced |

Official Cambridge Exam Preparation

## Choose from two versions

Test & Train is available in two versions to use as digital exam practice alongside your course or as independent study for your students.

| Class-based | Self-study |
|---|---|
| 2 x full exams covering Reading, Writing, Listening and Use of English (where applicable) | 6 x full exams covering Reading, Writing, Listening and Use of English (where applicable) |
| I x complete Speaking test video with hints and comments | I x complete Speaking test video with hints and comments |
| I x timed practice test (suitable for PC only) | |

The timed practice test is now updated to reflect the new digital exam.

### Are you using a Cambridge coursebook?

Test & Train is included in the digital packs for many Cambridge exam preparation courses. Check your digital pack and activate Test & Train today!

"Test & Train is really useful because students can practise on the go. If they have it on their phone, they can even be sitting on the bus or the metro and do a few exercises."

**Sarah**
Examination Centre Deputy Director
